A management information circular (the “**Circular**”) accompanies this notice of annual general meeting and contains details of matters to be considered at the Meeting.

In light of ongoing concerns regarding the spread of COVID-19, and to mitigate risks to the health and safety of our communities, shareholders, employees and other stakeholders, the Company will hold its Meeting this year in a virtual only format. In order to streamline the virtual meeting process, the Company encourages shareholders to vote in advance of the Meeting using the voting instruction form or the form of proxy made available to them with the Meeting materials. Shareholders wishing to attend the Meeting online at <https://web.lumiagm.com/277287140>.

Registered shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/277287140>. Beneficial shareholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting as a guest and view the webcast, but will not be able to participate or vote at the Meeting. Additional information on how to attend the Meeting virtually can be found in the accompanying Circular.

Forms of proxy must be returned to Odyssey Trust Company, the Company’s transfer agent, prior to 10:00 a.m. (Vancouver time) at least two days (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment or postponement of the Meeting. The time limit for deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion, without notice.

If you are a beneficial shareholder and have received these materials through your broker or through another intermediary (an “**Intermediary**”), please complete and return the voting instruction form or other materials provided to you by your broker or other Intermediary in accordance with the instructions provided therein. Shareholders who are planning to return the form of proxy or a voting instruction form are encouraged to review the accompanying Circular carefully before submitting the form of proxy or voting instruction form.

The Company has decided to take advantage of the notice-and-access provisions (“**Notice and Access**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* for the delivery of the accompanying Circular to its shareholders for the Meeting. The use of the alternative Notice and Access procedures in connection with the Meeting helps reduce paper use, as well as the Company’s printing and mailing costs. Under Notice and Access, instead of receiving printed copies of the Circular, shareholders receive a notice (“**Notice and Access Notification**”) with information on the Meeting date, location and purpose, as well as information on how they may access the Circular electronically or request a paper copy. The Company will arrange to mail paper copies of the Circular to those registered and non-registered Shareholders who have existing instructions on their account to receive paper copies of the Company’s proxy-related materials.

Requests for paper copies of the Circular (and any other related documents) must be received no later than 10:00 a.m. (Vancouver time) on Tuesday, August 17, 2021 in order for shareholders to receive paper copies of such documents and return their completed proxies by the deadline for submission of 10:00 a.m. (Vancouver time) on Tuesday, August 24, 2021.

As set out in notes to the proxy, the enclosed proxy is solicited by management, but, you may amend it, if you so desire, by striking out the names listed therein and inserting in the space provided, the name of the person you wish to represent you at the Meeting.

The Company reserves the right to take any additional precautionary measures in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak that the Company considers necessary or advisable including changing the time, date or location of the Meeting. Changes to the Meeting, time, date or location and/or means of holding the Meeting may be announced by way of news release. Please monitor the Company’s news releases as well as its website at <https://northwestcopper.ca/> for updated information. The Company advises you to check its website one week prior to the Meeting date for the most current information. The Company does not intend to prepare or mail an amended Circular in the event of changes to the Meeting format.

CORPORATE BACKGROUND

NorthWest Copper Corp. (“**NorthWest Copper**” or the “**Company**”) was incorporated under the *Company Act* of the Province of British Columbia, Canada on March 5, 1973 under the name of “Dual Resources Ltd.”, which name was changed to “Serengeti Diamonds Ltd.” on January 20, 1994. The Company went through a restoration on April 26, 1999. On March 22, 2001, NorthWest Copper changed its name to “Serengeti Resources Inc.”. On July 25, 2005, the shareholders approved the alteration of the Company’s authorized share structure to its current structure of an unlimited number of common shares (each, a “**Common Share**”) and 20,000,000 class A preferred shares (each, a “**Preferred Share**”). On August 30, 2005, the Company transitioned to the *Business Corporations Act* (British Columbia) (the “**BCBCA**”). On March 5, 2021, the Company changed its name to “NorthWest Copper Corp.” in connection with the Arrangement (as defined below).

The Common Shares of the Company are currently listed for trading on the TSX Venture Exchange (the “**TSXV**”) under the symbol “NWST”. The Company is a reporting issuer in British Columbia and Alberta and files its continuous disclosure documents with the Canadian Securities Authorities in such provinces. Such documents are available on SEDAR at www.sedar.com.

On November 29, 2020, the Company and Sun Metals Corp. (“**Sun Metals**”) entered into an arrangement agreement (the “**Arrangement Agreement**”) pursuant to which the Company agreed to acquire all of the issued and outstanding common shares of Sun Metals on the basis of 0.215 of a Common Share for each common share of Sun Metals held (the “**Exchange Ratio**”), by way of plan of arrangement under the BCBCA (the “**Arrangement**”). In connection with the Arrangement, all outstanding stock options of Sun Metals were exchanged for options to purchase Common Shares on the basis of the Exchange Ratio and all unexercised common share purchase warrants of Sun Metals were adjusted or exchanged, as applicable, for warrants to purchase Common Shares on the basis of the Exchange Ratio and will expire in accordance with their current expiry dates. As a result of the Arrangement, Sun Metals became a wholly-owned subsidiary of the Company.

On March 5, 2021, the Company and Sun Metals announced that the Arrangement had closed. On closing of the Arrangement, former shareholders of Sun Metals held 49.6% of the combined Company. Concurrently with the closing the Arrangement, the Company changed its name from “Serengeti Resources Inc.” to “NorthWest Copper Corp.”, commenced trading on the TSXV under the new trading symbol “NWST” and completed the Consolidation (as defined below). Mark O’Dea assumed the role of Executive Chairman and was joined on the board of directors of the Company (the “**Board**”) by former Sun Metals directors Sean Tetzlaff and Richard Bailes. David W. Moore, Lewis V. Lawrick and Teodora Dechev continued as Directors of the Company. Lauren McDougall and Ian Neill of Sun Metals assumed the roles of Chief Financial Officer and Vice President Exploration, respectively, of the Company. On March 8, 2021, the Company announced the appointment of Peter Bell as President and Chief Executive Officer.

The Company is a junior resource issuer and has no history of earnings nor has it earned revenue since commencing operations. The Company is concurrently advancing contiguous copper-gold resource projects in north-central British Columbia, Canada: the Stardust Project and the Kwanika Project.

The Company’s corporate office is located at Suite 1900 – 1055 West Hastings Street, Vancouver, British Columbia, V6E 2E9 and its registered and records office is located at Suite 2200, 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8.

Consolidation

On March 5, 2021, the Company consolidated all the issued and outstanding Common Shares a two-for-one basis (the “**Consolidation**”). Unless otherwise noted, all references to number of securities, as well as exercise price and price per Common Share information in this Circular reflect the Consolidation.

GENERAL

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by management (the “**Management**”) of NorthWest Copper, for use at the annual general meeting (the “**Meeting**”) of the shareholders (the “**Shareholders**”) of the Company to be held on Thursday, August

In light of ongoing concerns regarding the spread of COVID-19, and to mitigate risks to the health and safety of our communities, shareholders, employees and other stakeholders, the Company will hold its Meeting this year in a virtual only format. The Company reserves the right to take any additional precautionary measures in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak that the Company considers necessary or advisable including changing the time, date or location of the Meeting. Changes to the Meeting, time, date or location and/or means of holding the Meeting may be announced by way of news release. SOLICITATION OF PROXIES

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

ATTENDING AND VOTING AT THE MEETING VIRTUALLY

Registered Shareholders and duly appointed proxyholders may attend the Meeting online and vote their Common Shares. Registered Shareholders and duly appointed proxyholders can participate in the Meeting online by going to <https://web.lumiagm.com/277287140> and clicking “I have a login” and entering a Username and Password before the start of the Meeting.

- Registered Shareholders: the 12-digit control number located on the form of proxy or in the email notification you received is the Username and the Password is “northwest2021”.
- Duly appointed proxyholders: Odyssey Trust Company (“**Odyssey**”) will provide the proxyholder with a Username after the voting deadline has passed, provided the proxyholder has been registered with Odyssey before the deadline, which is an additional step required once a Shareholder has submitted their proxy in order for the proxyholder to participate in the online Meeting. See “*Appointment and Revocation of Proxies*” and “*Advice for Beneficial Holders of Common Shares*”, including on how to register a duly appointed proxyholder. The Password to the Meeting is “northwest2021”.

Voting at the Meeting will only be available for Registered Shareholders and duly appointed proxyholders who have properly registered. To have your Common Shares voted at the Meeting, each Registered Shareholder, and duly appointed proxyholder will be required to enter their control number or Username provided by Odyssey prior to the start of the Meeting.

Shareholders who wish to appoint a third-party proxyholder, who is not the management designated proxyholder, to represent them at the Meeting, including Non-Registered Shareholders who wish to appoint themselves or another third party as proxyholder to attend, participate or vote at the Meeting, MUST submit their duly completed proxy or voting instruction form AND register the proxyholder. See “*Appointment and Revocation of Proxies*” and “*Advice for Beneficial Holders of Common Shares*”.

It is important that you are connected to the internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Meeting. To participate online, Registered Shareholders must have a valid 12-digit control number and duly appointed proxyholders must have received an email from Odyssey containing a Username after registering.

Non-Registered Shareholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting as a guest and view the webcast, but will not be able to participate or vote at the Meeting. See “*Advice for Beneficial Holders of Common Shares*”.

APPOINTMENT AND REVOCATION OF PROXIES

Registered Shareholders who cannot attend the Meeting in person or virtually may vote by proxy either by mail, personal delivery, or over the internet. The enclosed Proxy must be received by Odyssey, the Company’s transfer agent, no later than 10:00 a.m. (Vancouver time) on the second Business Day preceding the date of the Meeting or any adjournment or postponement thereof. Registered Shareholders must return the properly completed Proxy by mail or personal delivery to Odyssey, 350-409 Granville Street, Vancouver, British Columbia, V6C 1T2 or over the internet by going to <https://login.odysseytrust.com/pxlogin> and following the online voting instructions given to you.

To be valid, the Proxy must be executed by a Registered Shareholder or a Registered Shareholder’s attorney duly authorized in writing or, if the Registered Shareholder is a body corporate, by a duly authorized officer or attorney. If the form of Proxy is executed by an attorney for an individual Registered Shareholder or by an officer or attorney of a Registered Shareholder that is a company or association, documentation evidencing the power to execute the Proxy may be required with signing capacity stated. If not dated, the Proxy will be deemed to have been dated the date that it is mailed to the Registered Shareholder.

The persons named in the enclosed form of proxy with respect to the Proxy, being Mark O’Dea, and Peter Bell, are Directors and/or officers of NorthWest Copper. **A Registered Shareholder may appoint a person or company (who need not be a Shareholder) other than the persons specified in the Proxy to represent the Shareholder at the Meeting or any adjournment or postponement thereof by striking out the printed name of such person and inserting such other person or company’s name in the blank space provided in that Proxy or by completing another proper form of proxy and, in either case, depositing the completed Proxy at the office of Odyssey so as to arrive no later than 10:00 a.m. (Vancouver time) on the second Business Day preceding the date of the Meeting or any adjournment or postponement thereof. Registered Shareholders must return the properly completed Proxy to Odyssey by mail or personal delivery to Odyssey, 350-409 Granville Street, Vancouver, British Columbia, V6C 1T2 or over the internet by going to <https://login.odysseytrust.com/pxlogin> and following the online voting instructions given to you and referring to your control number provided on the form of proxy delivered to you.** The time limit for deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion, without notice. Registering the proxyholder (other than those persons named in the Proxy), is an additional step required once a Shareholder has submitted their proxy in order to participate in the online Meeting. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving a Username to participate in the online Meeting. Please see below for information on registering a proxyholder.

A Registered Shareholder executing the Proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed by proxy on any ballot that may be called for in accordance with the instructions thereon. In the absence of such instructions, such Common Shares will be voted in favour of each of the matters referred to herein.

If you appoint a proxyholder, other than the management designees named in the Proxy, that proxyholder must attend and vote at the Meeting for your vote to be counted. If a Registered Shareholder who has submitted a Proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such Registered

Shareholder on a ballot at the Meeting online will be counted and the submitted Proxy will be disregarded.

Registered Shareholders who wish to appoint a third-party proxyholder to represent them at the online Meeting **must submit their proxy prior to registering their proxyholder. The first step is to submit your proxy appointing such third-party proxyholder as set out above. Registering the proxyholder is an additional step once a Shareholder has submitted their proxy. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving a Username to participate in the online Meeting.** To register a proxyholder, Shareholders **MUST** send an email to nwcopper@odysseytrust.com by 10:00 a.m. (Vancouver time) on August 24, 2021 and provide Odyssey with the required proxyholder contact information (including an email), the number of Common Shares appointed, and the name in which the Common Shares are registered, so that Odyssey may provide the proxyholder with a Username via email.

Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy. Without a Username, proxyholders will not be able to participate online at the Meeting.

A Proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Registered Shareholder who has given a Proxy may revoke the Proxy by:

- (a) completing and signing a Proxy bearing a later date and depositing it at the offices of Odyssey, 350-409 Granville Street, Vancouver, British Columbia, V6C 1T2 or over the internet by going to <https://login.odysseytrust.com/pxlogin> and following the online voting instructions given to you and referring to your control number provided on the form of proxy delivered to you no later than 10:00 a.m. (Vancouver time) on the second Business Day preceding the date of the Meeting or any adjournment or postponement thereof;
- (b) depositing an instrument in writing executed by the Registered Shareholder or by the Registered Shareholder's attorney duly authorized in writing or, if the Registered Shareholder is a body corporate, by a duly authorized officer or attorney either with Odyssey, 350-409 Granville Street, Vancouver, British Columbia, V6C 1T2 at any time up to and including the last Business Day preceding the day of the Meeting or any adjournment or postponement thereof or with the Chair of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment or postponement thereof; or
- (c) in any other manner permitted by Law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such Proxy. **If a Registered Shareholder who has submitted a Proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such Registered Shareholder on a ballot at the Meeting online will be counted and the submitted Proxy will be disregarded.**

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders that wish to change their voting instructions must, in sufficient time in advance of the Meeting, contact their Intermediary to arrange to change their voting instructions.

VOTING OF COMMON SHARES REPRESENTED BY MANAGEMENT PROXIES

On any matter to be acted upon or any ballot that may be called for at the Meeting, the Common Shares represented by each properly executed Proxy in favour of the persons designated in the enclosed Proxy received by the Company will be voted or withheld from voting in accordance with the specifications given by the Registered Shareholder. **In the absence of such specifications in an enclosed Proxy where the Registered Shareholder has appointed the persons whose names have been pre-printed in the enclosed Proxy as the Shareholder's nominee at the Meeting, the Common Shares represented by such Proxies will be voted FOR each of the matters specified in this Circular.**

The enclosed Proxy confers discretionary authority upon the persons named therein with respect to amendments to or variations of matters identified in the Notice of Meeting and with respect to other matters, if any, which may properly come before the Meeting. At the date of this Circular, management of NorthWest Copper knows of no such amendments, variations, or other matters to

come before the Meeting. However, where a Registered Shareholder has appointed the persons whose names have been pre-printed in the enclosed Proxy as the Registered Shareholder's nominee at the Meeting, if any amendments or variations to matters identified in the Notice of Meeting or other matters which are not now known to management of the Company should properly come before the Meeting, the enclosed Proxy may be voted on such matters in accordance with the best judgment of the person voting the Proxy.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

Registered holders of Common Shares or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a "**Non-Registered Shareholder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Shareholder deals with in respect of the Common Shares, or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant, and therefore are not a Registered Shareholder. Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Without specific instructions, Intermediaries are prohibited from voting securities for their clients.

Voting at the Meeting will only be available for Registered Shareholders, and duly appointed proxyholders. Non-Registered Shareholders who have not appointed themselves may attend the Meeting by clicking "I am a guest" and completing the online form. Non-Registered Shareholders who do not have a 12-digit control number or Username will only be able to attend as a guest which allows them listen to the Meeting, but not vote or submit questions. See "*Advice for Beneficial Holders of Common Shares – Distribution to NOBOs*" and "*Advice for Beneficial Holders of Common Shares – Distribution to OBOs*".

Distribution to NOBOs

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), NorthWest Copper will have caused its agent to distribute the Notice and Access Notification (as defined in the Notice of Annual General Meeting) directly to each Non-Registered Shareholder who has provided instructions to an Intermediary that such Non-Registered Shareholder does not object to the Intermediary disclosing ownership information about the beneficial owner (a "**Non-Objecting Beneficial Owner**" or "**NOBO**").

These Meeting Materials are being made available to both Registered Shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Company or its agent has sent the Notice and Access Notification directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send the Notice and Access Notification to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) making the Meeting Materials available to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Notice and Access Notification distributed by the Company's agent to NOBOs include a voting instruction form ("**VIF**"). These VIFs are to be completed and returned to Broadridge in accordance with the instructions. Broadridge is required to follow the voting instructions properly received from NOBOs. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide voting instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive. If the VIF is executed by an attorney for an individual Shareholder or by an officer or attorney of a Shareholder that is a company or association, documentation evidencing the power to execute the VIF may be required with signing capacity stated.

If a NOBO wishes to attend the Meeting and vote online (or have another person attend and vote on behalf of the NOBO), the NOBO should insert the name of the NOBO (or the name of the person that the NOBO wants to attend and vote on the NOBO's behalf) in the space provided on the VIF and return it to Broadridge in accordance with the instructions provided on the VIF. If Broadridge or NorthWest Copper receives a

written request that the NOBO or its nominee be appointed as proxyholder, if management is holding a proxy with respect to Common Shares beneficially owned by such NOBO, the Company must arrange, without expense to the NOBO, to appoint the NOBO or its nominee as proxyholder in respect of those Common Shares. Under NI 54-101, unless corporate law does not allow it, if the NOBO or its nominee is appointed as proxyholder by NorthWest Copper in this manner, the NOBO or its nominee, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. If NorthWest Copper receives such instructions at least one business day before the deadline for submission of proxies, it is required to deposit the proxy within that deadline, in order to appoint the NOBO or its nominee as proxyholder. If a NOBO requests that the NOBO or its nominee be appointed as proxyholder, the NOBO or its appointed nominee, as applicable, will need to attend the meeting online in order for the NOBOs vote to be counted.

Non-Registered Shareholders, including a NOBO, who have appointed someone to vote at the virtual meeting MUST send an email to nwcopper@odysseytrust.com by 10:00 a.m. (Vancouver time) on August 24, 2021 and provide Odyssey with the required proxyholder contact information (including an email), the number of Common Shares appointed, and the name in which the Common Shares are registered, so that Odyssey may provide the proxyholder with a Username via email.

Distribution to OBOs

In addition, NorthWest Copper will have caused its agent to deliver copies of the Notice and Access Notification to the clearing agencies and Intermediaries for onward distribution to those Non-Registered Shareholders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner (each, a “**Objecting Beneficial Owner**” or “**OBO**”).

Unless an OBO has waived his or her right to receive them, applicable regulatory policy requires intermediaries to forward the Notice and Access Notification to OBOs and to seek voting instructions from OBOs in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs in order to ensure that their Common Shares are voted at the Meeting or any adjournment or postponement thereof. Often, the form of proxy or voting instruction form supplied to an OBO by its intermediary will either be:

- (a) a Proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number of Common Shares beneficially owned by the OBO, but which is otherwise uncompleted. This Proxy need not be signed by the OBO. In this case, the OBO who wishes to submit a Proxy should properly complete the Proxy and deposit it with Odyssey in the manner set out above in this Circular, with respect to the Common Shares beneficially owned by such OBO; or
- (b) more typically, a voting information form which is not signed by the Intermediary, which may be identical to the form of proxy provided to Registered Shareholders, although its purpose is limited to instructing the Registered Shareholder on how to vote on behalf of the OBO, and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. Typically, the voting information form will consist of a one-page pre-printed form. The purpose of this procedure is to permit the OBO to direct the voting of the Common Shares beneficially owned by such OBO.

The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge. Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. If you are an OBO (holding your Common Shares through a bank, broker, trust company, or custodian) and receive a voting instruction form from Broadridge, you are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, OBOs can call the toll-free telephone number printed on their voting instruction form or go to www.proxyvote.com and enter their 12-digit control number to deliver their voting instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting or any adjournment or postponement thereof.

If an OBO wishes to attend the Meeting and vote online (or have another person attend and vote on behalf of the OBO), the OBO should insert the OBO's name (or the name of the person the OBO wants to attend and vote on the OBO's behalf) in the space provided for that purpose on the request for voting instructions form and return it to the OBO's Intermediary or send the Intermediary another written request that the OBO or its nominee be appointed as proxyholder. The Intermediary is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or its nominee as proxyholder in respect of the OBO's Common Shares. Under NI 54-101, unless corporate law does not allow it, if the Intermediary makes an appointment in this manner, the OBO or its nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the Intermediary (who is the registered shareholder) in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. An Intermediary who receives such instructions at least one business day before the deadline for submission of proxies is required to deposit the proxy within that deadline, in order to appoint the OBO or its nominee as proxyholder. If an OBO requests that the Intermediary appoint the OBO or its nominee as proxyholder, the OBO or its appointed nominee, as applicable, will need to attend the meeting online in order for the OBO's vote to be counted.

Non-Registered Shareholders, including an OBO, who have appointed someone to vote at the virtual meeting MUST send an email to nwcopper@odysseytrust.com by 10:00 a.m. (Vancouver time) on August 24, 2021 and provide Odyssey with the required proxyholder contact information (including an email), the number of Common Shares appointed, and the name in which the Common Shares are registered, so that Odyssey may provide the proxyholder with a Username via email.

The Company does not intend to pay for the Intermediary to deliver the Notice and Access Notification or Meeting Materials to OBOs and, as a result, OBOs will not be sent paper copies of such Notice and Access Notification or Meeting Materials unless their Intermediary assumes the costs.

Notice and Access

The Company has used Notice and Access to deliver the Notice of Meeting, the Proxy and this Circular (collectively, the "**Meeting Materials**") to Shareholders by posting the Meeting Materials on its website. DSU Plan

Shareholders approved a deferred share unit plan (the “**DSU Plan**”) on February 26, 2021. The following summary of the DSU Plan is qualified in its entirety by the full text of the DSU Plan attached as Schedule “C” to the Circular.

Eligible Participants

Participation in the DSU Plan is restricted to Directors and bona fide employees of the Company (a “**DSU Eligible Person**”).

The DSU Plan is administered by the Compensation Committee of the Board, or if there is no such committee, the Board.

Transferability

The rights respecting the deferred share units (“**DSUs**”) are non-transferrable and non-assignable other than by will or the laws of descent and distribution.

Grant of DSUs

The Board will establish an annual compensation amount (the “**Annual Base Compensation**”) payable to Directors of the Company. The Annual Base Compensation will be payable in quarterly installments. DSU Eligible Persons are entitled to elect quarterly (or for U.S. taxpayers, annually) to receive up to 100% of their Annual Base Compensation in DSUs.

Each DSU Eligible Person who elects to receive their Annual Base Compensation in DSUs, will be credited on an account maintained on the books of the Company (the “**Participant's Account**”) with the number of DSUs determined by dividing the dollar amount of such compensation payable in DSUs on the grant date by the Share Price (as defined below).

In addition, DSU Eligible Persons may be granted DSUs (a “**DSU Award**”) to provide the DSU Eligible Person with appropriate equity-based compensation for the services he or she rendered to the Company.

For the purposes of the DSU Plan, the “Share Price” of the Common Shares is determined, as at a particular date, as the closing price of the Common Shares on the TSXV averaged over the five consecutive trading days immediately preceding the redemption date, being the date that a notice of redemption is received by the Company, except with respect to any U.S. taxpayer, it shall mean the date set forth in the agreement between the Company and such participant (the “**DSU Redemption Date**”).

Payment of DSU Awards

Each participant will be entitled to redeem his or her DSUs during the period commencing immediately following the date of such participant’s death, or retirement from, or loss of office or employment with the Company, including such participant’s resignation, retirement, death or otherwise (the “**Termination Date**”) and ending on the 90th day following such Termination Date by providing or causing his or her legal representative to deliver a written notice to the Company.

Upon redemption, a non-U.S. taxpayer participant will be entitled to receive: (i) the number of Common Shares equal to the number of DSUs in such the Participant’s Account, subject to any applicable deductions and withholdings, (ii) subject to and in accordance with applicable Laws, the number of Common Shares purchased by an independent administrator under the DSU Plan in the open market for purposes of providing Common Shares to participant under the DSU Plan, subject to any applicable deductions and withholdings, (iii) the payment of a cash amount to a participant equal to the number of DSUs multiplied by the Share Price, subject to any applicable deductions and withholdings, or (iv) any combination of the foregoing, as determined by the Compensation Committee or the Board, as applicable, in its sole discretion.

For a U.S. taxpayer participant, any DSUs issued to a U.S. taxpayer are only redeemable following the termination of participant’s service with the Company (the “**Separation Date**”) and may be redeemed in one or two tranches, with one DSU Redemption Date occurring within 30 days of such Separation Date and in no event later than the last day of the calendar year in which such Separation Date occurs and, if applicable, the second DSU Redemption Date shall be on March 1 of the calendar year following such Separation Date.

Payment of Dividend Equivalents

When dividends are paid on Common Shares, a participant shall be credited with dividend equivalents in respect of the DSUs credited to the Participant’s Account as of the record date for payment of dividends and no payment in cash should be made to any participant with respect to such dividend equivalent. Such dividend equivalents shall be converted into additional DSUs (including fractional DSUs) based on the fair market value per Common Share on the date credited and redeemed on the date of redemption, of the DSU with respect to which the dividend equivalent was granted.

Blackout Periods

In the event the DSU Redemption Date, determined in accordance with the DSU Plan occurs during a black out period applicable to the relevant participant, then the DSU Redemption Date, as applicable, shall be the date that is the tenth business day after the expiry of the black out period; provided, however, that in the case of a U.S. taxpayer, the change in the DSU Redemption Date does not violate Section 409A of the U.S. Tax Code.

Maximum Number of Common Shares Issued

The number of Common Shares that may be granted by the Company in accordance with the DSU Plan, provided the maximum number of Common Shares which may be issued from treasury in connection with the redemption of DSUs, which for the purposes of this maximum number shall deem all DSUs to be redeemed for Common Shares from treasury, in combination with the aggregate number of Common Shares which may be issuable under the RSU Plan (as defined below), will not exceed 5,510,964 Common Shares, subject to customary adjustments in accordance with the terms of the DSU Plan and, if required by the TSXV Policies or any other stock exchange on which the Common Shares may then be listed, and by the shareholders of the Company.

If and for so long as the Common Shares are listed on the TSXV: (i) no DSUs may be granted to any DSU Eligible Person whose role and duties primarily consists of Investor Relations Activities, as defined under TSXV Policies; and (ii) the number of Common Shares which may be issuable under the DSU Plan to redeem DSUs and any other share compensation arrangement, within any one-year period: (a) to any one participant will not exceed 5% of the total issued and outstanding Common Shares on a non-diluted basis, and (b) to Insiders as a group, shall not exceed 10% of the total number of issued and outstanding Common Shares on a non-diluted basis, provided that, in determining the number of Common Shares issuable, all DSUs shall be deemed to be redeemed into Common Shares.

No amendments may be made by the Board to the DSU Plan to effect any of the following without shareholder approval or, if required under TSXV Policies, disinterested shareholder approval and TSXV approval: (i) an increase in the maximum number or percentage of Common Shares reserved for issuance under the DSU Plan, (ii) a change in the method of calculation of redemption of DSUs held by participants; (iii) an extension to the term of redemption of DSUs held by participants, (iv) permitting the DSUs granted under the DSU Plan to be transferrable or assignable other than for normal estate settlement purposes, or (v) an amendment to the amendment provisions of the DSU Plan.

Unless otherwise required by the TSXV Policies, the Board may make the following amendments to the DSU Plan, without obtaining shareholder approval: (i) amendments to the terms and conditions of the DSU Plan necessary to ensure that the DSU Plan complies with the applicable regulatory requirements, including the rules of the TSXV, in place from time to time; (ii) amendments to the provisions of the DSU Plan respecting administration of the DSU Plan and eligibility for participation under the DSU Plan; (iii) amendments to the provisions of the DSU Plan respecting the terms and conditions on which DSUs may be granted pursuant to the DSU Plan, including the provisions relating to the payment of DSUs; (iv) amendments to the DSU Plan that are of a "housekeeping" nature; and (v) any other amendments, fundamental or otherwise, not requiring shareholder approval under applicable laws or applicable rules of the TSXV; provided, however, that no such amendment of the DSU Plan may be made without the consent of each affected participant if such amendment would adversely affect the rights of such affected participant(s) under the DSU Plan.

Termination of the DSU Plan

The Compensation Committee or the Board, as applicable, may decide to discontinue granting awards under the DSU Plan at any time in which case no further DSUs shall be awarded or credited under the DSU Plan. Any DSUs which remain outstanding in a Participant's Account at that time shall continue to be dealt with according to the terms of the DSU Plan.

Shareholders are encouraged to carefully review the full text of the DSU Plan as set out at Schedule "C" to this Circular.

RSU Plan

Shareholders approved a restricted share unit plan (the "**RSU Plan**") on February 26, 2021. The following summary of the RSU Plan is qualified in its entirety by the full text of the RSU Plan attached as Schedule "D" to the Circular.

Participation in the RSU Plan is restricted to employees, consultants and officers of the Company (an "**RSU Eligible Person**"). Employees, including Directors who are also employees, are eligible to participate in the RSU Plan.

Transferability

RSUs shall not be transferable or assignable other than by will or the laws of descent and distribution.

Grant of RSUs

The RSU Plan permits the Compensation Committee of the Board, or if there is no such committee, the Board, to grant awards of RSUs to an RSU Eligible Person and to determine the RSU Redemption Date applicable to such RSUs. In addition, the Compensation Committee may, at its sole discretion, at the time of the grant of RSUs, make such RSUs subject to performance conditions to be achieved by the Company to entitle the holder thereof to receive the Common Shares or cash thereunder.

Upon vesting, the RSUs will be redeemed on or about (but not later than 30 days following) each applicable RSU Redemption Date (as defined in the RSU Plan) (“the **“RSU Redemption Date”**”), and the Eligible RSU Person will be entitled to receive and the Company will issue and/or pay to such Eligible RSU Person, as applicable: (i) the number of Common Shares equal to the numbers of RSUs vested on the RSU Redemption Date; (ii) a cash amount equal to the number of Common Shares set out in (i) multiplied by the fair market value of the Common Shares on the RSU Redemption Date; or (iii) a combination of (i) and (ii), as determined by the Compensation Committee or the Board, as applicable, in its sole discretion. The RSU Redemption Date in respect of any RSU is the date provided for in the agreement granting the RSUs or if no date is set, the third anniversary of the grant date, unless otherwise provided for in the RSU Plan. The Compensation Committee has the discretion to stipulate the length of time for vesting and to determine various performance objectives based on certain business criteria as a pre-condition to an RSU vesting.

Payment of Dividend Equivalents

When dividends are paid on Common Shares, an RSU Eligible Person shall be credited with dividend equivalents in respect of the RSUs credited to the such RSU Eligible Person’s Account as of the record date for payment of dividends and no payment in cash should be made to any RSU Eligible Person with respect to such dividend equivalent. Such dividend equivalents shall be converted into additional RSUs (including fractional RSUs) based on the fair market value per Common Share on the date credited and redeemed on the date of redemption, of the RSUs with respect to which the dividend equivalent was granted.

Blackout Periods

In the event the RSU Redemption Date, determined in accordance with the RSU Plan occurs during a black out period applicable to the relevant participant, then the RSU Redemption Date, as applicable, shall be the date that is the tenth business day after the expiry of the black out period; provided, however, that in the case of a U.S. taxpayer, the change in the RSU Redemption Date does not violate Section 409A of the U.S. Tax Code.

Maximum Number of Common Shares Issued

The number of Common Shares which may be reserved for issuance under the RSU Plan for the redemption of RSUs, provided that all RSUs granted shall be deemed to be redeemed into Common Shares for the purpose of this calculation, in combination with the aggregate number of Common Shares which may be issuable under the DSU Plan, will not exceed 5,510,964 Common Shares, subject to customary adjustments in accordance with the RSU Plan and, if required by the TSXV Policies or any other stock exchange on which the Common Shares may then be listed, and by the shareholders of the Company.

If and for so long as the Common Shares are listed on the TSXV, the number of Common Shares which may be issuable under the RSU Plan for the redemption of RSUs granted under such plan, and any other share compensation arrangement, within any one-year period: (i) to any RSU Eligible Person, will not exceed 5% of the total issued and outstanding Common Shares on the grant date on a non-diluted basis, (ii) to any Insiders as a group, will not exceed 10% of the total number of issued and outstanding Common Shares on the grant date on a non-diluted basis and (iii) to any Consultant, shall not exceed 2% of the total number of issued and outstanding Common Shares on a non-diluted basis, provided that, in determining the number of Common Shares issuable, all RSUs granted shall be deemed to be redeemed into Common Shares.

If and for so long as the Common Shares are listed on the TSXV, no RSUs will be granted under the RSU Plan to any RSU Eligible Person whose role and duties primarily consist of Investor Relations Activities, as defined under the TSXV Policies.

Termination of Employment

If an RSU Eligible Person is terminated by the Company for cause (as determined by the Company), or if an RSU Eligible Person, voluntarily terminates employment for any reason prior to a RSU Redemption Date, all of the RSU Eligible Person's RSUs will be cancelled and no amount shall be paid by the Company to such RSU Eligible Person in respect of the RSUs so cancelled.

The RSUs which have vested of an RSU Eligible Person who is involuntarily terminated for reasons other than cause will be redeemed on the RSU Redemption Date for an equal number of Common Shares or cash in lieu thereof or a combination of cash and Common Shares, as determined by the Compensation Committee or the Board, as applicable.

For purposes of this section, a U.S. taxpayer shall be treated as terminated when such person incurs a "separation from service" within the meaning of Section 409A of the U.S. Tax Code ("**Separation from Service**"). Solely to the extent required by Section 409A of the U.S. Tax Code, any payment in respect of RSUs which has become payable on or following a Separation from Service to any U.S. taxpayer who is determined to be a "specified employee," under the U.S. Tax Code, shall not be paid before the date that is six months after such U.S. taxpayer's Separation from Service (or, if earlier, the date of the death of such U.S. taxpayer). Following any applicable six-month delay of payment, all such delayed payments shall be made to the U.S. taxpayer in a single lump sum on the earliest possible date.

Change of Control

In the event of a change of control of the Company, all RSUs granted to RSU Eligible Persons and outstanding under the RSU Plan will immediately vest and will be paid out in cash, Common Shares or a combination of cash and Common Shares.

Termination and Amendment of the RSU Plan

The Board has the right, in its sole discretion, to amend, suspend or terminate the RSU Plan, provided that no such amendment, suspension or termination may be made without obtaining TSXV or shareholder approvals or adversely affect the rights of any participant with respect to the RSUs to which the participant is entitled under the RSU Plan without the consent of the participant. No amendments may be made by the Board to the RSU Plan to effect any of the following without shareholder approval or, if required under the TSXV Policies, disinterested shareholder approval and TSXV approval: (i) an increase in the maximum number or percentage of Common Shares reserved for issuance under the RSU Plan, (ii) a change in the method of calculation of redemption of RSUs held by RSU Eligible Persons; (iii) an extension to the term of redemption of RSUs held by insiders, (iv) permitting the RSUs granted under the RSU Plan to be transferrable or assignable other than for normal estate settlement purposes, or (v) an amendment to the amendment provisions.

Without limiting the generality of the foregoing, the Board may make the following amendments to the RSU Plan, without obtaining shareholder approval: (a) amendments to the terms and conditions of the RSU Plan necessary to ensure that the RSU Plan complies with the applicable regulatory requirements, including the rules of the TSXV, in place from time to time; (b) amendments to the provisions of the RSU Plan respecting administration of the RSU Plan and eligibility for participation under the RSU Plan; (c) amendments to the provisions of the RSU Plan respecting the terms and conditions on which RSUs may be granted pursuant to the RSU Plan, including the provisions relating to the payment of the RSUs; (d) amendments to the RSU Plan that are of a "housekeeping" nature; and (e) any other amendment, fundamental or otherwise, not requiring shareholder approval under applicable laws or applicable rules of the TSXV, provided, however, that no such amendment of the RSU Plan may be made without the consent of each affected RSU Eligible Person in the RSU Plan if such amendment would adversely affect the rights of such affected RSU Eligible Person(s) under the RSU Plan.

The Board may from time to time amend or suspend the RSU Plan in whole or in part and may at any time terminate the RSU Plan. No such amendment, suspension or termination shall adversely affect the rights of any RSU Eligible Person at the time of such amendment, suspension or termination with respect to outstanding and unredeemed RSUs credited to such RSU Eligible Person without the consent of the affected RSU Eligible Person. If the Board terminates the RSU Plan, no new RSUs will be awarded to any RSU Eligible Person, but outstanding and unredeemed previously credited RSUs shall remain outstanding, be entitled to payments as provided under the RSU Plan existing at the time of termination. The Company employed David W. Moore to provide his services pursuant to one to two-year renewable employment agreements. On March 1, 2020, the Company entered into a renewed contract with Mr. Moore at an agreed rate of \$15,000 per month. If the agreement was terminated without cause, the Company was required to provide severance payment equal to 24 times the average monthly salary payable to Mr. Moore and the monthly billing due to his consulting company in the prior five years, plus any deferred compensation owing, plus any bonus due and payable pursuant to the agreement. In the event of a Change of Control of the Company, Mr. Moore shall have the right to cancel the agreement, within ninety days from the date of the Change of Control, upon written notice to the Company and within thirty days from the date of delivery of such notice, the Company shall forward to Mr. Moore:

The Company entered into an agreement dated November 29, 2020 to amend the terms of the Moore Employment Agreement dated March 1, 2020 (as amended, the "**Moore Employment Agreement**"). Pursuant to such amendment, the term of the Moore Employment Agreement has been extended to the

earlier of August 30, 2021 or the date a replacement CEO was appointed by the Company (“**Termination Date**”). - (a) the amount of money due and owing to the extent accrued and due to Mr. Moore up to the Termination Date, but remaining unpaid, if any, including without limitation any earned but unused vacation pay; and

Upon completion of a “Change of Control” (as defined below) if Mr. Bell elects to resign pursuant to the terms of his employment agreement (the “**COC Termination Date**”), Mr. Bell is entitled to receive the Bell Termination Final Wages, an additional lump sum equal to 24 months’ of his annual salary as at the COC Termination Date and an additional lump sum equal to two times the average bonus awarded to him in the prior two fiscal years, provided that if Mr. Bell has been employed for less than 24 months at the COC Termination Date then an amount equivalent to 70% of Mr. Bell’s salary will be deemed to be the annual bonus amount for each incomplete year. Upon termination of Mr. Bell’s employment for any reason, the vesting, exercise, and redemption of any options or RSUs shall be governed by the terms of the Stock Option Plan or RSU Plan then in place.

Under the McDougall Employment Agreement, if Ms. McDougall is terminated without just cause or she resigns for good cause, she is entitled to any salary and bonus amounts owing, including, in the case of an annual bonus, the amount that would have been owed had she worked through the end of the year (the “**McDougall Termination Final Wages**”), an additional lump sum amount equivalent to one month of her then annual salary, plus two months of her then annual salary for every year of service, up to a combined maximum of one year’s annual salary as at the date of termination or resignation (the “**McDougall Termination Date**”), continued insurance coverage to the end of the Severance Period (as defined in the McDougall Employment Agreement) or until she obtains alternate coverage, and any options or RSUs vested as at the McDougall Termination Date will remain open for exercise until the earlier of their expiry or 90 days from the McDougall Termination Date. Ms. McDougall will receive continued insurance coverage until the end of the “COC Severance Period” (as defined in the McDougall Employment Agreement) or until she obtains alternative coverage, and any options or RSUs vested as at the McDougall Termination Date will remain open for exercise until the earlier of their expiry or 90 days from the McDougall Termination Date.

A “**Change of Control**” for purposes of the Moore Employment Agreement shall be deemed to have occurred when:

- (i) the acquisition by any person or any group of persons acting jointly or in concert (as determined by the *Securities Act* (British Columbia) whether directly or indirectly, of voting securities of the Company which, together with all other voting securities of the Company held by such person or persons, constitutes, in the aggregate, more than forty percent (40%) of all outstanding voting securities of the Company;
- (ii) the sale, lease or other disposition of all or substantially all of the assets of the company to another person other than to a subsidiary;

- (iii) an amalgamation, arrangement or other form of business combination of the Company with another company which results in the holders of voting securities of that other company holding in the aggregate more than forty percent (40%) of all the outstanding voting securities of the company resulting from the business combination; or
- (iv) A reconstitution of the Board such that the majority of the Board is comprised of individuals who were not members of the Board before the reconstitution.

The Arrangement constituted a “Change of Control” for the purposes of the Moore Employment Agreement. On March 31, 2021, the Company paid to Mr. Moore \$513,216 in satisfaction of Mr. Moore’s “Change of Control” entitlements under the Moore Employment Agreement.

A “**Change of Control**” for purposes of the Bell Employment Agreement shall be deemed to have occurred when:

- (iii) the sale, lease or exchange of all or substantially all property of the Company to another person, other than in the ordinary course of business of the Company or to a related entity; or
- (iv) any other transaction that is deemed to be a "Change of Control" by the Board in its sole discretion.

A “**Change of Control**” for purposes of the McDougall Employment Agreement shall be deemed to have occurred when:

- (i) the acquisition, beneficially, directly or indirectly, by any person or group of persons acting jointly or in concert, within the meaning of National Instrument 62-104 *Takeover Bids and Issuer Bids* (or any successor instrument thereto), of Common Shares of the Company which, when added to all other Common Shares of the Company at the time held beneficially, directly or indirectly by such person or persons acting jointly or in concert, totals for the first time more than 50% of the outstanding Common Shares of the Company; or
- (ii) the removal, by extraordinary resolution of the shareholders of the Company, of more than 51% of the then incumbent Directors of the Company, or the election of a majority of Directors to the Board who were not nominees of the Company’s incumbent Board at the time immediately preceding such election; or
- (iii) the consummation of a sale of all or substantially all of the assets (greater than 90%) of the Company, or the consummation of a reorganization, merger or other transaction which has substantially the same effect; or
- (iv) a merger, consolidation, plan of arrangement or reorganization of the Company that results in the beneficial, direct or indirect transfer of more than 50% of the total voting power of the Company’s outstanding securities to a person, or group of persons acting jointly and in concert, who are different from the person that have, beneficially, directly or indirectly, more than 50% of the total voting power prior to such transaction.

Oversight and Description of Director and NEO Compensation

Compensation Objectives and Principles

NorthWest Copper recognizes the need to provide compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive’s level of responsibility.

The primary goal of the Company’s executive compensation package is to attract and retain the key executives necessary for the Company’s long-term success, to encourage executives to further the development of the Company and its operations, and to motivate top quality and experienced executives.

For the fiscal year ended February 28, 2021, the Company did not have compensation programs other than paying base salaries, incentive bonuses, incentive stock options to its executive officers and Directors, and annual retainer fees for non-NEO Directors.

Compensation Process

The Board monitors compensation of the Directors and executive officers of the Company. The Compensation Committee periodically reviews the compensation paid to Directors and management based on such factors as (i) recruiting and retaining executives critical to the success of the Company and the enhancement of Shareholder value, (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. To determine compensation payable, the Compensation Committee periodically reviews compensation paid for Directors and CEOs of companies of similar size and stage of development in the mineral exploration/mining industry and annually determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the Directors and senior management while taking into account the financial and other resources of the Company.

Components of Compensation

NorthWest Copper's key components of executive compensation are base salary, variable annual cash incentives, option-based awards and share-based awards. Except as set out above, non-NEO Directors are compensated for their services through annual retainer fees, option-based awards and share-based awards. The Company does offer other perquisites but such are not material on an annual basis.

Annual base salary

The objectives of the base salary are to recognize market pay and acknowledge the competencies and skill of individuals. Base salary for the NEOs is determined by the Board. The base salary for the most recently completed financial year and the prior financial years have been historically based upon negotiations with the NEOs and has consisted on a daily rate up to an annual limit based on the time allocated to NorthWest Copper.

Annual cash incentives

The objectives of annual incentives in the form of cash payments are designed to add a variable component of compensation. Given that the Company is a junior company with no source of cash flow other than financings, the objectives can be subjective to a certain degree. The objectives are often based more on the general improvement of the Company in terms of share price performance, successful financings, and other factors as determined by the Compensation Committee. These factors are assessed against the objectives of the Company in light of the external environment and current business situation. The Compensation Committee will meet annually to discuss these objectives. The Company takes into consideration the financial position of the Company before any cash bonuses are paid.

Option-based awards

Long-term incentives in the form of options to purchase Common Shares are intended to align the interest of the Directors and its executive officers with those of the Shareholders, to provide a long-term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation NorthWest Copper would otherwise have to pay. The Stock Option Plan is administered by the Directors. In establishing the number of options to be granted to the NEOs, reference is made to the number of options granted to officers of other publicly traded companies that, similar to NorthWest Copper, are involved in the mining industry, as well as those of other publicly traded Canadian companies of a comparable size to that of NorthWest Copper in respect of assets. The Directors also consider previous grants of options and the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the Director or executive officer in determining the level of incentive stock option compensation.

Share-based awards

On February 26, 2021, Shareholder's approved a DSU Plan and a RSU Plan, and these plans were subsequently adopted by the Board on March 5, 2021. See "DSU Plan" and "RSU Plan".

Other

Certain additional compensation factors may be considered and not included within the compensation structure and philosophy. Some of the factors not considered were target share ownership guidelines, pension plans, specific target weightings, and percentage of compensation at risk. In addition, the perquisites offered were limited to health plans and excluded other items such as low or interest free loans, company car, club memberships, and other perquisites which may be offered by other companies.

Pension Plan Benefit

The Company does not have a pension plan that provides for payments to NEOs or Directors at, following, or in connection with retirement.

The Option Price under each Option shall be not less than the Discounted Market Price on the Grant Date. The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten years after the Grant Date. Options shall not be assignable (or transferable) by the Optionee.

3.2 Limits on Shares Issuable on Exercise of Options

The maximum number of Shares which may be issuable pursuant to Options granted under the Plan shall not exceed 10% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis. For greater

certainty, if an Option is surrendered, terminated or expires without being exercised, the Shares reserved for issuance pursuant to such Option shall be available for new Options granted under this Plan.

The number of Shares which may be issuable under the Plan and all of the Company's other previously established share compensation arrangements:

- (a) within a 12-month period, to any one Optionee, shall not exceed 5% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis;
- (b) within a 12-month period, to any one Consultant shall not exceed 2% in the aggregate of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis;
- (c) within a 12-month period, to all Eligible Persons who undertake Investor Relations Activities shall not exceed 2% in the aggregate of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis, which Options are to be vested in stages over not less than 12 months and no more than one-quarter (1/4) of such Options may be vested in any three (3) month period;
- (d) within a 12-month period to Insiders as a group shall not exceed 10% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis; and
- (e) to Insiders as a group at any point in time shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis.

3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. For stock options to Employees, Consultants, Consultant Company or Management Company Employees, the Company is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to subsections 4.3 and 4.4, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. local time on the Expiry Date and shall not be exercisable thereafter.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon notice and payment there will be binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque is not honoured upon presentation in which case the Option shall not have been validly exercised.

4.3 Vesting of Option Shares

Subject to the policies of the Exchange, the Board shall determine the manner in which an Option shall vest and become exercisable; and provided that if the Option is being granted to an Eligible Person who is providing Investor Relations Activities to the Company, then the Option must vest in stages over not less than 12 months and no more than one-quarter (1/4) of such Options may be vested in any three (3) month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date.

(b) Termination For Cause

If the Optionee, or in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person, provided that the Board may, in its discretion, extend the date of such termination and the resulting period in which such Option remains exercisable to a date not exceeding the earlier of the Expiry Date and the date which is 12 months after such event, and further provided that the Board may, in its discretion, on a case-by-case basis and only with the approval of the Exchange, further extend the date of such termination and the resulting period in which such Option remains exercisable to a date exceeding the date which is after 12 months of such event.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in subsection 4.4 occurred, shall not be or become Vested or exercisable in respect of such Unissued Option Shares and shall be cancelled, provided that the Board may, in its discretion further and subject to the approval of the Exchange where the vesting of the said Optionee's Options was a requirement of the TSXV Policies, thereafter permit the Optionee or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and therefore ceases to be exercisable pursuant to the terms of this subsection 4.4. For greater certainty, and without limitation, this provision will apply regardless of whether the Optionee ceased to be an Eligible Person voluntarily or involuntarily, was dismissed with or without cause, and regardless of whether the Optionee received compensation in respect of dismissal or was entitled to a notice of termination for a period which would otherwise have permitted a greater portion of an Option to vest.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "Offer") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in

the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the *Securities Act*, subject to the consent of the Exchanges, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon the Option Shares subject to such Option will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to subsection 4.3 shall be reinstated. If any Option Shares are returned to the Company under this subsection 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, and subject to the prior consent of the Exchanges, the Directors may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Directors shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days and not more than 35 days notice is required.

4.7 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the prior consent of the Exchanges.

4.8 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.9 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has expired may be made the subject of a further Option pursuant to the provisions of the Plan.

4.10 Extension of Term During Trading Black Out.

In the event the expiry date of an Option shall fall on a date during a trading black out period that has been self-imposed by the Company, the expiry date of the Option shall be extended to the 10th business day following the date that the self-imposed trading black out period is lifted by the Company (the "**Extension Period**"); provided that if an additional black-out period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional black out period to enable the exercise of such Options within ten (10) trading days following the end of the last imposed black-out period. For

greater certainty, the expiry date of an Option shall not be extended in the event a cease trade order is issued by a securities regulatory authority against the Company or the holder of an Option.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subparagraph (a)(ii).

5.2 Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares:

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the Company has determined to be outside the normal course); or
- (d) rights, options or warrants,

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Reorganization

Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in subsections 5.1 or 5.2;
- (b) a consolidation, merger, arrangement or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or

- (c) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Directors.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of subsection 5.1, 5.2 or 5.3 is subject to the approval of the Exchanges and any other governmental authority having jurisdiction.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution. Any Options granted under this Plan prior to such approval shall only be exercised upon the receipt of such approval. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Directors shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in subsection 5.4, the interpretation and construction of any provision of the Plan by the Directors shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Withholding

The Company may withhold from any amount payable to an Optionee, either under this Plan or otherwise, such amount as it reasonably believes is necessary to enable the Company to comply with the applicable requirements of any federal, provincial, local, or foreign law, or any administrative policy of any

applicable tax authority, relating to the withholding of tax or any other required deductions with respect to options ("**Withholding Obligations**"). The Company may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Company may determine in its discretion, by (a) requiring an Optionee, as a condition to the exercise of any Options, to make such arrangements as the Company may require so that the Company can satisfy such Withholding Obligations including, without limitation, requiring the Optionee to remit to the Company in advance, or reimburse the Company for, any such Withholding Obligations or (b) selling on the Optionee's behalf, or requiring the Optionee to sell, any Shares acquired by the Optionee under the Plan, or retaining any amount which would otherwise be payable to the Optionee in connection with any such sale.

6.5 Amendments to the Plan

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted thereunder will be subject to the approval of the shareholders.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchanges having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment

No Optionee may assign any of his or her rights under the Plan or any Option granted thereunder.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.12 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the Province of British Columbia.

6.13 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.14 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.

In the event that the Common Shares shall be subdivided or consolidated into a different number of Common Shares or a distribution shall be declared upon the Common Shares payable in Common Shares, the number of Deferred Share Units then recorded in the Participant's Account shall be adjusted by replacing such number by a number equal to the number of Common Shares which would be held by the Participant immediately after the distribution, subdivision or consolidation, should the Participant have held a number of Common Shares equal to the number of Deferred Share Units recorded in the Participant's Account on the record date fixed for such distribution, subdivision or consolidation.

5.2 Reorganizations

In the event there shall be any change, other than as specified in Section 5.1, in the number or kind of outstanding Common Shares or of any shares or other securities into which such Common Shares shall have been changed or for which they shall have been exchanged, pursuant to a Reorganization or otherwise, then there shall be substituted for each Common Share referred to in the Plan or for each share into which such Common Share shall have been so changed or exchanged, the kind of securities into which each outstanding Common Share shall be so changed or exchanged and an equitable adjustment shall be made, if required, in the number of Deferred Share Units then recorded in the Participant's Account, such adjustment, if any, to be reasonably determined by the Committee and to be effective and binding for all purposes.

5.3 Adjustments

In the case of any such substitution, change or adjustment as provided for in this Article 5, the variation shall generally require that the number of Deferred Share Units then recorded in the Participant's Account prior to such substitution, change or adjustment will be proportionately and appropriately varied.

ARTICLE 6 RESTRICTIONS ON ISSUANCES

6.1 Maximum Number of Deferred Share Units

Deferred Share Units may be granted by the Company in accordance with this Plan, provided the maximum number of Common Shares which may be issued from treasury in connection with the redemption of Deferred Share Units, which for the purposes of this maximum number shall deem all Deferred Shares Units to be redeemed for Common Shares from treasury:

ARTICLE 7 AMENDMENT, SUSPENSION OR TERMINATION

7.1 Amendments Requiring Shareholder Approval

The Board reserves the right, in its sole discretion, to amend, suspend or terminate the Plan or any portion thereof at any time, in accordance with Applicable Law, provided that no such amendment, suspension or termination may

(i) be made without obtaining any Exchange or shareholder approvals, or (ii) adversely affect the rights of any Participant with respect to the Deferred Share Units to which the Participant is then entitled under the Plan without the consent of the Participant. Notwithstanding the foregoing, the Company will be required to obtain shareholder approval or, if required under the TSXV Policies, Disinterested Shareholder and Exchange approval, for any amendment related to:

provided, however, that no such amendment of the Plan may be made without the consent of each affected Participant in the Plan if such amendment would adversely affect the rights of such affected Participant(s) under the Plan.

7.3 Amendments Require Approval of the Exchange

All amendments to this Plan require prior approval of the Exchange.

The Committee may decide to discontinue granting awards under the Plan at any time in which case no further Deferred Share Units shall be awarded or credited under the Plan. Any Deferred Share Units which remain outstanding in a Participant’s Account at that time shall continue to be dealt with according to the terms of the Plan. The Plan shall terminate when all payments owing pursuant to Section 3.3 of the Plan have been made and all Deferred Share Units have been cancelled in all Participants’ Accounts. Notwithstanding the foregoing, termination of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under *the Income Tax Act* (Canada) or any successor to such provision.

ARTICLE 8 GENERAL

8.1 Withholding

The Company may withhold from any amount payable to a Participant, either under this Plan, or otherwise, such amount as may be necessary so as to ensure that the Company will be able to comply with the provisions of any Applicable Law relating to the withholding of tax or other required deductions, including on the amount, if any, includable in the income of a Participant. For greater certainty, if a Participant is or becomes subject to tax in more than one jurisdiction, the Company may be required to withhold or account for taxes in more than one jurisdiction. The Company shall also have the right in its discretion to satisfy any such withholding tax liability by, among other things, requiring the Participant to remit such amounts to the Company, or by retaining, acquiring or selling on behalf of a Participant any Common Shares which would otherwise be issued or provided to a Participant hereunder.

Notwithstanding any provision in this Plan, the ultimate liability for all taxes legally payable by a Participant is and remains the Participant's responsibility, and such tax liability may exceed the amount actually withheld by the Company. The Company (a) makes no representations or undertakings regarding the treatment of any taxes under Applicable Laws in connection with any aspect of this Plan; and (b) does not commit to and is under no obligation to structure the terms of this Plan to reduce or eliminate a Participant's liability for taxes or achieve any particular tax result under any Applicable Law.

In the event the Redemption Date, determined in accordance with the Plan occurs during a black out period applicable to the relevant Participant, then the Redemption Date, as applicable, shall be the date that is the tenth Business Day after the expiry of the black out period; provided, however, that in the case of a U.S. Taxpayer, the change in the Redemption Date does not violate Section 409A of the Code.

8.3 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Company.

8.4 Legal Compliance

The Company's grant of any Deferred Share Units or issuance of any Common Shares hereunder is subject to compliance with Applicable Law applicable thereto. As a condition of participating in the Plan, each Participant agrees to comply with all Applicable Law and agrees to furnish to the Company all information and undertakings as may be required to permit compliance with Applicable Law.

Participation in the Plan shall not be construed to give any Participant a right to be retained as a Director. This Plan shall not be interpreted as either an employment or trust agreement. The Company makes no representations or warranties to a Participant with respect to the Plan or any Deferred Share Units whatsoever. In seeking the benefits of participation in the Plan, a Participant agrees to exclusively accept all risks associated with a decline in the market price of Common Shares and all other risks associated with the holding of a Deferred Share Unit.

8.8 Participation Voluntary

Participation in the Plan shall be entirely voluntary.

Unless otherwise determined by the Committee, the Plan shall be unfunded. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Deferred Share Units under the Plan, such rights (unless otherwise determined by the Committee) shall be no greater than the rights of an unsecured creditor of the Company.

For the avoidance of doubt, if any additional Deferred Share Units are issued to a US Taxpayer in accordance with Section 2.3 of the Plan, the Redemption Dates shall be set forth in the applicable Grant Agreement, in accordance with this Article 9. 3.4 Withholding Taxes

The Company may take such steps as are considered necessary or appropriate for the withholding of any taxes which the Company is required by any law or regulation of any governmental authority whatsoever to withhold in connection with any Common Share and/or Cash Consideration including, without limiting the generality of the foregoing, the withholding of the issue of Common Shares and/or the withholding of all or any portion of any payment of the Cash Consideration, as applicable, to be issued and/or paid under the Plan, until such time as the Eligible Person has paid the Company for any amount which the Company is required to withhold with respect to such taxes or other amounts. Without limitation to the foregoing, the Committee may, if applicable, adopt administrative rules under the Plan which provide for the sale of Common Shares (or a portion thereof) in the market upon the issuance of such Common Shares under the provisions of the Plan to satisfy withholding obligations under the Plan.

Notwithstanding any provision in this Plan, the ultimate liability for all taxes legally payable by an Eligible Person is and remains the Eligible Person's responsibility, and such tax liability may exceed the amount actually withheld by the Company. The Company (a) makes no representations or undertakings regarding the treatment of any taxes under applicable laws in connection with any aspect of this Plan; and (b) does not commit to and is under no obligation to structure the terms of this Plan to reduce or eliminate an Eligible Person's liability for taxes or achieve any particular tax result under any applicable laws.

including, without limitation, adjusting the number of Restricted Share Units credited to Eligible Persons and outstanding under the Plan, provided that any such adjustment will not otherwise extend the Redemption Date otherwise applicable. The Company shall give notice to each Eligible Person of any adjustment made pursuant to this section and, upon such notice, such adjustment shall be conclusive and binding for all purposes. The existence of outstanding Restricted Share Units shall not affect in any way the right or power and authority of the Company or its shareholders to make or authorize any alteration, recapitalization, reorganization or any other change in the Company's capital structure or its business or any merger or consolidation of the Company, any issue of bonds, debentures or preferred or preference shares (ranking ahead of the Common Shares or otherwise) or any right thereto, or the dissolution or liquidation of the Company, any sale or transfer of all or any part of its assets or business or any corporate act or proceeding whether of a similar character or otherwise.

3.7 Offer of Common Shares - Change of Control

Notwithstanding anything else herein to the contrary, subject to prior approval of the Exchange if required, in the event of a Change of Control, then the Redemption Date shall be deemed to be the date on which the Change of Control occurs, and all Restricted Share Units granted to the Eligible Persons and outstanding under the Plan shall immediately vest and be paid out in accordance with Section 3.2.

ARTICLE 4 EVENTS AFFECTING ENTITLEMENT

4.1 Termination of Employment

- (a) **Voluntary Termination or Termination for Cause.** If an Eligible Person is terminated by the Company for cause (as determined by the Company), or if an Eligible Person, voluntarily terminates employment for any reason prior to a Redemption Date, all of the Eligible Person's Restricted Share Units shall be cancelled and no amount shall be paid by the Company to the Eligible Person in respect of the Restricted Share Units so cancelled.

Notwithstanding any other provision hereof, or any provision of any employment agreement between the Company and an Eligible Person, in no event will any Eligible Person have any right to damages in respect of any loss of any right to be awarded Restricted Share Units pursuant to Section 3.1 after the last day of active employment of such Eligible Person and no severance allowance, or termination settlement of

any kind in respect of any Eligible Person will include or reflect any claim for such loss of right and no Eligible Person will have any right to assert, claim, seek or obtain, and shall not assert, claim, seek or obtain, any judgment or award in respect of or which includes or reflects any such right or claim for such loss of right.

It is intended that this Plan and grants of Restricted Share Units hereunder will comply with or be exempt from Section 409A of the Code (and any regulations and guidelines issued thereunder), to the extent this Plan and such agreements are subject thereto, and this Plan and the Grant Agreements shall be interpreted on a basis consistent with such intent. Each amount to be paid under the Plan shall be construed as a separate identified payment for the purposes of Section 409A of the Code. If an amendment of this Plan and such agreements is necessary in order for it to comply with Section 409A of the Code, the Board will adopt any such amendment in a manner that preserves the original intent of the parties to the extent reasonably possible. No action or failure to act by the Board shall subject the Company to any claim, liability, or expense, and the Company shall not have any obligation to indemnify or otherwise protect any person from the obligation to pay any taxes, interest or penalties pursuant to Section 409A of the Code.

5.5 Legal Compliance

Without limiting the generality of the foregoing, the Committee may take such steps and require such documentation from Eligible Persons as the Committee may determine are desirable to ensure compliance with all applicable laws and legal requirements, including all applicable corporate and securities laws and regulations of any country, and any political subdivisions thereof, and the by-laws, rules and regulations of any stock exchanges or other organized market on which Common Shares may from time to time be listed or posted and any applicable provisions of the *Income Tax Act* (Canada), as amended or income tax legislation or any other jurisdiction.

ARTICLE 6 AMENDMENT AND TERMINATION

6.1 Amendment

- (a) The Board reserves the right, in its sole discretion, to amend, suspend or terminate the Plan or any portion thereof at any time, in accordance with applicable legislation, provided that no such amendment, suspension or termination may (i) be made without obtaining any required regulatory or shareholder approvals, or (ii) adversely affect the rights of any Eligible Person with respect to the Restricted Share Units to which the Eligible Person is then entitled under the Plan without the consent of the Eligible Person. Notwithstanding the foregoing, the Company will be required to obtain shareholder approval or, if required under the TSXV Policies, Disinterested Shareholder and Exchange approval, for any amendment related to:

- (i) increasing the number or percentage of issued and outstanding Common Shares available for grant under the Plan;
 - (ii) a change in the method of calculation of redemption of Restricted Share Units held by Eligible Persons;
 - (iii) an extension to the term for redemption of Restricted Share Units held by Eligible Persons;
 - (iv) permitting the Restricted Share Units granted under this Plan to be transferrable or assignable other than for normal estate settlement purposes; and
 - (v) amending this Section 6.1.
- (b) Unless an Eligible Person otherwise agrees, any amendment to the Plan or Restricted Share Unit shall apply only in respect of Restricted Share Units granted on or after the date of such amendment.
- (c) Without limiting the generality of the foregoing, the Board may make the following amendments to the Plan, without obtaining shareholder approval:
- (i) amendments to the terms and conditions of the Plan necessary to ensure that the Plan complies with the applicable regulatory requirements, including the rules of the Exchange, in place from time to time;
 - (ii) amendments to the provisions of the Plan respecting administration of the Plan and eligibility for participation under the Plan;
 - (iii) amendments to the provisions of the Plan respecting the terms and conditions on which Restricted Share Units may be granted pursuant to the Plan, including the provisions relating to the payment of the Restricted Share Units;
 - (iv) amendments to the Plan that are of a “housekeeping” nature; and
 - (v) any other amendment, fundamental or otherwise, not requiring shareholder approval under applicable laws or applicable rules of the Exchange,
- provided, however, that no such amendment of the Plan may be made without the consent of each affected Eligible Person in the Plan if such amendment would adversely affect the rights of such affected Eligible Person(s) under the Plan.

6.2 Termination of the Plan

The Board may from time to time amend or suspend this Plan in whole or in part and may at any time terminate this Plan. No such amendment, suspension or termination shall adversely affect the rights of any Eligible Person at the time of such amendment, suspension or termination with respect to outstanding and unredeemed Restricted Share Units credited to such Eligible Person without the consent of the affected Eligible Person. If the Board terminates the Plan, no new Restricted Share Units will be awarded to any Eligible Person, but outstanding and unredeemed previously credited Restricted Share Units shall remain outstanding, be entitled to payments as provided under Section 3.5, and be paid in accordance with the terms and conditions of this Plan existing at the time of termination. This Plan will finally cease to operate for all purposes when the last remaining Eligible Person receives a payment in satisfaction of all outstanding and unredeemed Restricted Share Units credited to such Eligible Person, or all outstanding and unredeemed Restricted Share Units credited to such Eligible Person are cancelled pursuant to the provisions thereof.

This Plan shall not be interpreted to create any entitlement of any Eligible Person to any Common Shares, or to the dividends payable pursuant thereto, or to any Cash Consideration, as applicable, except as expressly provided herein. A holder of Restricted Share Units shall not have rights as a shareholder of the Company with respect to any Common Shares which may be issuable pursuant to the Restricted Share Units so held, whether voting, right on liquidation or otherwise.

7.2 No Right to Employment

This Plan shall not be interpreted as either an employment or trust agreement. Nothing in this Plan nor any Committee guidelines or any agreement referred to in Section 2.5 nor any action taken hereunder shall be construed as giving any Eligible Person the right to be retained in the continued employ or service of the Company or any of its subsidiaries, or giving any Eligible Person or any other person the right to receive any benefits not specifically expressly provided in this Plan nor shall it interfere in any way with any other right of the Company to terminate the employment or service of any Eligible Person at any time.

7.3 Right to Funds

Neither the establishment of this Plan nor the granting of Restricted Share Units under this Plan shall be deemed to create a trust. Amounts payable to any Eligible Person under the Plan shall be a general, unsecured obligation of the Company. The right of the Employees, Consultants or Officers to receive payment pursuant to this Plan shall be no greater than the right of other unsecured creditors of the Company.
